

A Dissembling Advertisement

You are thinking of three things that will change your life, but before you can act on any one of them this sentence ends. What to do?

The Entire Default System Employed For Better Sanity In The Universe, Some Say Beyond, is just around the corner of your bend:

John Gruntfest's Raven Free Orchestra Arises

This Default System installs in the Ear Of Your Ear as easily as showing up for yourself, unless you don't, in which case you will simply be left with your head.

Why do mice go into outer space? is answered tastefully when you appear to appear at The Raven Free Orchestra, a Non-Prophet Spectacle not seen or heard since seeing was believing and herds were listened to.

Let's review:
